Prints

Traditional Color Paper

Kodak Professional Portra Endura Paper (traditional E-Surface matte finish paper). Accurate color, realistic saturation, excellent neutral flesh reproduction and bright colors.

The most popular paper.

Metallic Paper

Kodak Professional Endure Metallic paper offers a unique pearlescent surface that will make your images pop. Fleash tones look natural, details are crisp and colors are beautifully saturated.

ILFORD B&W

True Digital B&W Paper with a matte finish. A special resin-coated paper specifically designed for making continuous-tone black and white prints from digital images.

Similar to traditional b&w papers.
